

Canadian Foodgrains Bank Sunday

Working together to end hunger

*Your gift may be
matched up to 4x!*

As one of the founding members of Canadian Foodgrains Bank, World Renew multiplies your impact through food security responses like our Red Rose cards in Honduras. Around the world, conflict, climate, and other crises cause families to go without food. But together we can end global hunger! Thank you for helping us offer the unrelenting love of Christ.

Canadian Foodgrains Bank Sunday

Working together to end hunger

Pray with us

Lord of the harvest,
May the bold hope that you have
given us in Christ be made tangible
through the offerings of your church.
Show us how to show mercy and
love to our neighbours around the
world. May hunger cease, and may
your holy justice reign.
In Jesus' name,
Amen!

Canadian Foodgrains Bank Sunday

Working together to end hunger

Maria, Honduras

“I received a voucher that allowed me to buy food at a nearby store. This food was a tremendous blessing because I didn’t have the means to purchase it otherwise. Previously, I could only afford a pound of rice. Now, thanks to this assistance, I can provide my children with a complete meal and ensure they are well-nourished. I’ve also been able to eat better and maintain my health. It has been a blessing.”
